# NORTHEAST<sup>®</sup>

## **NORTHEAST 2020 Rescheduled to August 21-23 Amidst Coronavirus Concerns**

*March 9, 2020* - After careful consideration, due to recent events in our area the Alliance of Automotive Service Providers of New Jersey (AASP/NJ) has decided to reschedule the NORTHEAST 2020 Automotive Services Show, originally scheduled to take place March 20-22 at the Meadowlands Exposition Center of Secaucus, NJ, to new show dates of August 21-23, 2020.

Amid Coronavirus concerns throughout the tri-state area, and growing difficulty in attendees' ability to attend our event, it became inevitable to reschedule this year's show dates for the safety and wellbeing of all parties involved in the NORTHEAST show.

NORTHEAST 2020 will take place **August 21-23, 2020** at the Meadowlands Exposition Center of Secaucus, NJ.

We are truly sorry to have had to make this decision, but our top priority remains the safety of our attendees, exhibitors and supporters and based on these concerns as well as increasing feedback from our industry's constituents, we trust that you will understand the need to reschedule.

Thank you for your continued support of AASP/NJ's NORTHEAST Show.
